

How do I grow my business with Insight?

NETGEAR
INSIGHT

CHALLENGE: IT TALENT SHORTAGE*

89%

Hiring managers have difficulty finding talent.

5 weeks

On average to fill an open role in an IT team.

6 in 10

CIOs believe skills shortages will prevent them from keeping up with change.

32%

of ITDMs said new hires require 'months of training'

SOLUTION:

Reduce

- Site visits
- Repetitive, low value tasks for techs

Increase

- High value jobs
- Win more customers without hiring more staff

THE INSIGHT ADVANTAGE: RAPID REMOTE DEPLOYMENT

Scan device at HQ

Deliver to client

Client plugs in
